

**Transport conditions Prologics transport:**

**Thanks for your trust in us.**

By accepting Prologics as transporting company, you also accept the following below mentioned transport conditions by us. By accepting this transport agreement, you confirm all conditions mentioned by you and your company requests will be followed up.

For loading and unloading there is a standard loading time inclusive.

For transport 1 ½ hour loading, and 1 ½ hour unloading is inclusive, Prologics transport has the right to claim waiting costs to charge à € 45,00 euro per extra waiting hour. Be advised that we can additionally charge waiting hours at borders, Ferries and Tunnels(Eurotunnel, Mont blanc, Fréjus FR ).

Agreed transport rate is including all additional charges, as cooling, fuel, Toll or similar road taxes, fee and equipment.

Error freight: In case of cargo annulation within the day of agreed transport , within 8 hours before agreed transport time, we charge 70% of the total transport rate. In case of direct delivery outgoing and the goods are denied for offloading at the customer, then we will charge 2 times the mentioned transport rate for returning,

Trucks used by Prologics Transport for Perishables and airfreight , are dry and clean, and all water tight. Trucks are Cleaned under HACCP conditions.

Secure cargo will be handled as such, with seals and airfreight security locks.

All Prologics staff possess a security awareness certificate, HACCP training, and trained to drive secure cargo.

Thanks and kind regards.
